self-moistening kit

Our exclusive self-moistening kit **POLIWET TECH EASY IMPRESS DUO** has several advantages:

- The cloth and the cleaning solution are kept separate, which allows:
  - Maximum resistance and durability of the nonwoven
  - Maximum power of the cleaning agents
  - Unlimited shelf life in stock
- Our special VOC-free cleaning solution guarantees:
  - Slow evaporation in use
  - Long-lasting moisture of the cloth in the press
- Ensures deep cleaning of all ink types (oil-based, UV, HUV)
- Safer to use thanks to its high flashpoint (100°C)

wetrolls

Our **POLIWET TECH GOLD IMPRESS DUO** wetrolls offer several advantages:

- The moistening is optimized, as the cleaning agent quantity is perfectly calibrated to fit the cloth absorbency
- Ensures deep cleaning of all ink types (oil-based, UV, HUV)
- Safer to use thanks to its high flashpoint (100°C)
- **Ready to use!**
